Admission to Joint Master’s and Ph.D. Programmes

Choose from the following disciplines

Nanomedical Sciences - Focused on Biomedical nanotechnologies.

Nanotechnology & Renewable Energy - Energy conversion and storage technologies.

Molecular Medicine - Identification of molecular markers in diagnostics and therapy at the molecular level.

The M.Tech. programmes have been successful since 2007 with excellent placement and hands-on research experience in cutting-edge technologies and state-of-the-art facilities, which are one of the best in the country. The Centre is a Thematic Unit of Excellence under the Nanomission programme of the Govt. of India (GOI). Original research is an integral part of the programme and most students publish their research work in SCOPUS and/or Pubmed indexed journals. Recently, Department of Science and Technology (DST), GOI awarded student fellowships for the M.Tech. programme for next five years.

In M.Tech. - Ph.D. Integrated programme, students can opt for either M.Tech. (2 years), M.Tech. & M.S. by Research (3 years), M.Tech. Ph.D. (4 years) or Ph.D. M.Tech. / Ph.D. Integrated programme requires entering the programme in year one. Lateral entry in year two can expect a Ph.D. in three years. Lateral entry can be with M.Sc., M.Pharm., M.B.B.S. or B.D.S.

IMPORTANT DATES

Last Date for Receipt of Application
17th May 2016

Date of Entrance Examination
22nd May 2016

Date of Interview
23rd May 2016 (Kochi Centre Candidates)
30th May 2016 (All Other Centre Candidates)

Applications are Invited from eligible candidates for admission to

Master’s Programme: M.Tech.
Research Programmes: M.S. Research,
M.Tech.-Ph.D. Integrated & Doctoral (Ph.D.)

Nanomedical Sciences

M.Sc. in Physics, Chemistry, Materials Science, Biotechnology, Biochemistry, Bioinformatics, Zoology or B.Tech. in Mechanical, Electrical, Chemical, Electronics, Biomedical, Biotechnology, etc. or M.B.B.S. or B.D.S. or B.Pharm. with minimum of 60% marks (or equivalent).

Nanotechnology & Renewable Energy

M.Sc. in Physics, Chemistry, Materials Science or B.Tech. in Electrical, Electronics, Chemical, Materials Science with minimum of 60% marks (or equivalent).

Molecular Medicine

M.Sc. in any discipline of the Life Sciences or B.Tech. in Biotechnology or Bioinformatics or B.Pharm. or M.B.B.S. or B.D.S. with minimum of 60% marks (or equivalent).

HOW TO APPLY

Download application form from the website www.amrita.edu/center/nanosciences/academics and send to “The Director, Amrita Centre for Nanosciences, M.Tech. Admissions, Amrita Institute of Medical Sciences, Amrita Vishwa Vidyaapeetham, AIMS-Ponekkara P.O., Kochi - 682 041, Kerala”, along with a demand draft of ₹ 600/- in favour of “Amrita Centre for Nanosciences” payable at Kochi.

ADMISSION PROCEDURE

Admission is based on common entrance exam being held at Kochi, Trivandrum and Chennai. Successful candidates will be called for interview.
