Monsoon School on Urban Floods 22–27 August 2016

The Department of Civil Engineering, Indian Institute of Science (IISc), Bengaluru is organizing a one-week **Monsoon School on Urban Floods** during 22–27 August 2016, as one of the outreach activities in the research project entitled, '**Integrated Urban Flood Management in India: Technology Driven Solutions**', sponsored by ITRA (Information Technology Research Academy), Ministry of Information and Technology, Government of India. The School will comprise of lectures and tutorials by experts, covering topics of urban meteorology, urban hydrology, radar and remote sensing analysis of rain events, big data analysis for urban processes, engineering practices and post-flood responses. Group discussions will be arranged to bring out the relevance of the state-of-the-art tools and methodologies for managing urban floods in Indian cities. The School was conducted successfully in the last two years. Research students, representatives from govt and non-govt organizations from various parts of India and neighbouring countries like Sri Lanka, Nepal and Bhutan have been benefitted by the School.

The School is targeted at practising engineers and young researchers working with government or private bodies and educational institutes. There is no registration fee. Outstation participants may be considered for a limited accommodation on campus, on request.

Applications for participation in the School, comprising of detailed bio-data (including date of birth, academic background and work experience) may be sent by e-mail/hardcopy to **Prof. P. P. Mujumdar**, Department of Civil Engineering, Indian Institute of Science, Bengaluru 560 012 (e-mail: monsoonschool.iisc@gmail.com).

Last date for receipt of applications: **20 May 2016**.

SDM College of Engineering and Technology, Dharwad 580 002

Ref: SDMCET/Proj/(F. No 14/75/2015-Met-IV),
Ministry of Mines, Government of India

Wanted

Junior Research Fellow is wanted to work for 3 years in the Ministry of Mines Project entitled '**Rare earth minerals concentration in the beach sands of Uttara Kannada coast: their economic viabilities and sustainable mining**'.

Fellowship: Rs 16,000 p.m. + HRA for the first two years and Rs 18,000 p.m. + HRA in the third year.

Qualifications for JRF: 1st class in M.Sc. Geology. NET/SET qualified/having research/field experience will be given preference, age limit 28 years as on 30 June 2016.

Application containing name, address, date of birth, qualification and experience should reach the undersigned on or before **25 May 2016**.

Dr V. S. Hegde, Principal Investigator, Ministry of Mines Project, SDM College of Engineering and Technology, Dharwad 580 002, Mobile: 916471 8435.

Council of Scientific & Industrial Research (CSIR)

Anusandhan Bhawan, 2 Rafi Marg,
New Delhi-110001

Advt. No. 02/2016

CSIR is looking for Distinguished R&D Professionals for the Posts of Distinguished Scientist

CSIR invites applications for the posts of Distinguished Scientist in the pay scale of ₹ 75,500 (annual increment @3%)-80,000 plus allowances as admissible from time to time.

For details, kindly see the complete advertisement on CSIR website **www.csir.res.in**. Interested candidates may send their complete biodata alongwith list of publications/patents etc. through e-mail/by post to DG, CSIR, Anusandhan Bhawan, 2, Rafi Marg, New Delhi-110 001 on or before **29.04.2016**. E-mail: **dgcsir@csir.res.in** or **dg@csir.res.in**
