

# British Council Researcher Links

## Call for Participants to Workshop on: Nano-biomaterials for Water Purification

Under the Researcher Links scheme offered within the Newton Fund, the British Council and Royal Society of Chemistry will be holding a workshop on the above theme in Kerala, India on 12 to 16 December 2016.

The workshop is being coordinated by Professor Sabu Thomas (Mahatma Gandhi University, Kottayam) and Dr Durai Prabhakaran Raghavalu Thirumalai (Bangor University, North Wales, UK), and will have contributions from other leading researchers.

We are now inviting Early Career Researchers from the UK or India to apply to attend this workshop. All travel and accommodation expenses will be covered by the Newton Researcher Links programme. The application form can be completed online, and more details on the initiative are available here. Any queries regarding application can be sent to **Dr Durai Prabhakaran** (durai.prabhakaran@bangor.ac.uk) before the deadline of Friday **15 July 2016**.

## Faculty Positions in ATREE, Bengaluru

Ashoka Trust for Research in Ecology and the Environment (ATREE), an applied environmental research institute in Bengaluru, invites applications for endowed faculty positions in its research programmes on
