**Regional Conference of Young Scientists
on
Frontiers in Earth and Climate Sciences
5–7 December 2016, Bengaluru
A Conclave of Young Scientists in Central & South Asian Region**

This conference will provide an opportunity for young scientists to discuss outstanding grand challenges in Earth, Climate and Ocean Sciences and also to discuss some of their recent research findings. This conference will provide a platform for young scientists to promote networking and offer unique opportunity for collaborative research by sharing their recent research findings, future plans and their research interests. The conference will include thematic lectures by eminent scientists followed by presentations by Young Scientists and poster sessions.

The participants will be Young Scientists below the age of 40 years as on January 2017.

Registration

Application should include poster presentation, abstract and registration form (duly filled in the proforma given under 'Call for nominations' in website: www.jncasr.ac.in/twasrocasa).

Applications

Participants should send their brief bio-data (including educational qualifications and a list of research publications). This should be forwarded by a TWAS Fellow in the Region or the Head of institution/university/department.

Last date of submission

By electronic mail on or before **30 June 2016**.

Travel support

Selected candidates will be provided with travel support to enable them to participate in this meeting.

Dates and venues of the meeting

This Conference will be held during 5–7 December 2016 at Divecha Centre for Climate Change (DCCC), Indian Institute of Science, Bengaluru, India.
