International Seminar on 'New Frontiers in Cytogenetics'
and
XIII Conference of the Society of Cytologists and Geneticists
Date: 15–17 December 2016
Abstract submission: Up to 15 October 2016

Call for Abstracts

Department of Botany, University of Kerala is organizing an International Seminar on 'New Frontiers in Cytogenetics' and XIII Conference of the Society of Cytologists and Geneticists. The seminar aims to explore themes such as Cytotaxonomy and Cytogenetics, Cell Biology and Molecular Biology, Genetics, Breeding and Evolution, Cancer Genetics, Genomics and Proteomics, Epigenetics and Metagenomics, Biotechnology, Bioprospecting and Biodiversity Conservation. Cash prizes and certificates (5 nos) for young scientists for best research papers presented at the seminar will be awarded.

The Organizers solicit abstracts of novel research contributions from faculty, student and researchers in the above field and allied circles for oral and poster presentations. Brochure and registration form can be downloaded from <http://www.keralauniversity.ac.in/news>. Abstracts not exceeding 500 words consisting of title, author(s), affiliation and keywords may be submitted to scgseminar2016@gmail.com on or before **15 October 2016**.

Government of India
Department of Atomic Energy (DAE)

Invites applications for the post of

DIRECTOR

(Harish-Chandra Research Institute, Allahabad
a grant-in-aid autonomous institution under
DAE)

Last date for receipt of applications in DAE is
20 September 2016

For details log on to:

- www.dae.gov.in and/or www.hri.res.in
- Department of Personnel and Training's website under the caption '**Vacancies in Autonomous Organizations**'.

The Society for Biocontrol Advancement (SBA) operating from the Indian Council of Agricultural Research–National Bureau of Agricultural Insect Resources (ICAR-NBAIR), Bengaluru, has instituted the following five awards:

- **SBA – Dr S. P. Singh Memorial Award** for Lifetime Achievement in Biological Control
- **SBA – Dr S. Sithanatham Award** for Outstanding Impact of Biocontrol R&D
- **SBA – Dr M. Swamiappan Award** for Outstanding Contribution to Biosystematics of Biocontrol Agents
- **SBA – Dr T. M. Manjunath Award** for Outstanding Contribution to Biological Control and Allied Sciences
- **SBA – Dr T. M. Manjunath Young Scientist Award** for Excellent Contribution to Biological Control Research

Applications are invited from eligible researchers for all the above awards. Eligibility details and conditions may please be obtained from www.nbair.res.in/SBA/awards.html

The deadline for submission of applications is 30 September 2016.

The awards will be given away during the Fifth National Conference on Biological Control: Integrating Recent Advances in Pest and Disease Management, 9–11 February 2017, Bengaluru
