

Biotechnology Industry Research Assistance Council (A Govt. of India Enterprise)

INVITES PROPOSALS

For Supporting Innovation Research from Discovery to Large-Scale Validation through

Small Business Innovation Research Initiative (SBIRI) & Biotechnology Industry Partnership Programme (BIPP)

Small Business Innovation Research Initiative (SBIRI)

Supports discovery, proof-of-concept and early stage innovations in companies for development of biotechnological products and processes with high societal relevance

- Create opportunities for starting new technology-based or knowledge-based businesses by science entrepreneurs
- Strengthen and encourage smaller businesses to increase their R&D capabilities and capacity

Biotechnology Industry Partnership Programme (BIPP)

An advanced technology scheme for high risk, transformational technology/ process development from proof-of-concept to validation leading to high value product commercialization

- Support new and futuristic technology development with major social bearing but uncertain market driven demand
- Support start-ups, SMEs and other Biotech companies on cost sharing basis

Who can apply

A single or consortia of Indian company (ies) registered under “*The Indian Companies Act 2013*” with minimum 51% Indian ownership, and DSIR recognized in-house R&D unit, are eligible to apply either alone, or in collaboration with a partner from another Company/Institute/University

How to apply

Proposals for both the Schemes are required to be submitted **online only**. For scheme details and submission of proposal, please log on to **BIRAC website (www.birac.nic.in)**.

Last date for Submission of proposals: 30th November, 2016
