

**Homi Bhabha Centre for Science Education
Tata Institute of Fundamental Research (A Deemed University)**

**Admission to Ph.D. Programme in Science Education – 2017
(Advt. No. 01/2017)**

We are looking for young people with

- Interest in science education
- Flair for teaching and writing
- Curiosity about how students learn
- Critical and analytical skills
- Commitment to improve education

Science and mathematics teachers and educators are also encouraged to apply. They would have to spend a minimum of two years at HBCSE and can do their research work while stationed at their parent institutions.

To submit the form online, to download the form and for more information about the admission please visit: <http://www.hbcse.tifr.res.in/admissions/>. For information about the Ph.D. Programme please visit: <http://www.hbcse.tifr.res.in/graduate-school>

Note: This is a programme in education. It is not a pure or applied science research programme.

Areas of Research (More details at <http://www.hbcse.tifr.res.in/research-development>)

- Teaching and learning of science and mathematics from primary to undergraduate level
- Innovative curricula and assessment methods, experimental problem-solving in science
- Development of scientific and mathematical thinking in students at school and college level
- Design and technology in the curriculum
- Visual and spatial modes in learning
- Socio-cultural and gender factors in learning
- Science-Technology-Society-Environment Education
- Structure and dynamics of knowledge
- Discipline-based education research in physics, chemistry, biology, mathematics, astronomy and environmental science education
