

Workshop on Science Writing

3 to 8 April 2017, Bengaluru

Current Science, an interdisciplinary journal, endeavors to make scientific advance accessible to all interested in science. To build the capacity of scientists and researchers in India to write science in a manner that is understandable even to non-specialists, a one-week Science Writing Workshop will be organized by *Current Science*.

The Workshop will be residential and will be held in Bengaluru from 3 to 8 April 2017 (Monday to Saturday).

It will be preceded by a month-long Virtual Workshop, followed by a two-week online mentoring.

Applications are invited from interested research fellows, faculty in Indian universities, and scientists of research institutes.

Participant profile:

- Masters or Ph.D. degree in any branch of science.
- Proficiency in spoken and written English desired.
- Knowledge in working with word processors and internet browsers.

Only fourteen persons will be selected for the Workshop in a batch.

The registration fee (for selected candidates): Rs 10,000 (to be paid on selection).

The details of the workshop and the application form are available at <https://goo.gl/forms/PMr54jULK8znYjzr2>

Last date for receiving applications: **1 March 2017**

Announcement of selected candidates: **3 March 2017**

Last date for receiving registration fee: **10 March 2017**

JRF Position in Nano-optics at Goa University

Applications are invited from eligible candidates on plain paper for one post of JRF to work on the research project entitled '**Optical manipulation and trapping single gold shell encapsulated semiconductor quantum dots and applications towards bioimaging**' sponsored by DST-SERB for a period of three at the Department of Physics, Goa University.

Eligibility:

1. M.Sc. in Physics with a minimum 55% marks.
2. NET/GATE/JEST qualified.

Salary:

Monthly emoluments: Rs 25,000 (1st and 2nd year)/
Rs 28,000 (3rd year).
