

Research Positions Available

The Hyderabad Eye Research Foundation (HERF) at the L. V. Prasad Eye Institute (LVPEI) is a DBT-Centre of Excellence for Translational Research on Eye Diseases. Our research activities are empowered by basic research and clinical research faculties working together in all areas of eye biology and vision. We receive our funding support from DBT/DST/ICMR/CSIR as well as other international agencies such as the Wellcome Trust, Champalimaud Foundation Portugal, NIH USA and other bi-national collaborative programmes. We are recognized by the University of Hyderabad, Manipal University and BITS-Pilani for the Ph.D. degree programme.

We are looking for research personnel – Project Assistants, JRFs and PDFs/RAs to carry out research activities in the areas of Genomics, Transcriptomics and Proteomics; Cell Biology and Stem Cell Biology; Biochemistry and Microbiology.

Note: The positions are available for immediate recruitment and will be filled following an exam and personal interviews. Candidates having their own fellowships (PDF or CSIR/UGC/ICMR/DBT_NET-JRF or NET-LS or GATE qualification) are preferred.

Interested applicants can e-mail their latest biodata, along with a short write up (<250 words) on their specific research interests to **Ms Elena**, Assistant Director-BHERC, L. V. Prasad Eye Institute, Road No. 2, Banjara Hills, Hyderabad 500 034; e-mail ID: elena@lvpei.org on or before **2 October 2017**. Applicants short-listed for the exam cum interview will be intimated two weeks in advance.

For more details, please visit our websites <http://www.lvpei.org/> and <http://research.lvpei.org/laboratories/index.php>.

Institute of Advanced Study in Science and Technology

An Autonomous Institute under Department of Science and Technology, Govt of India
