

Opportunities at
National Institute of Advanced Studies, IISc Campus, Bengaluru

**For Project-funded Research Fellowships for Post-Doctoral Fellows, JRF/SRF,
and Research Assistants in the Energy and Environment Research Program**

The National Institute of Advanced Studies (NIAS), a visionary initiative of J. R. D. Tata, has a mandate to create leaders of substance and credibility in a variety of domains in India, and to carry out in-depth, policy relevant research from a multi-disciplinary perspective, drawing on a wide spectrum of disciplines in the humanities, social sciences and natural sciences. Please visit our website (www.nias.res.in) for a comprehensive perspective.

NIAS is seeking capable and enthusiastic Researchers/Ph.D. students interested to conduct multi-disciplinary research on Gol-funded, multi-year projects in the Energy and Environment Research Program ('Program') at NIAS. The Program seeks to bring in the much-needed integration to Energy, Environment, Natural Resources, and Climate Change studies at a time when India's power sector is undergoing a multi-faceted transition in terms of more stringent environmental standards while faced with a growing demand due to the aspirations of Indians for a better standard of living. In this context, the Program has secured/poised to secure, two 3-to-5-year grants from Gol to conduct multi-disciplinary research on a series of inter-linked projects. Please visit <http://nias.res.in/sites/default/files/2017-Vacancies-EERP.pdf> to get the broad objectives of the projects and eligibility criteria for each of these openings: Post-Doctoral Fellows (Four open positions), Junior/Senior Research Fellows (Four open positions), and Research Assistants (Six open positions).

Interested applicants for the Post-Doctoral Fellows should submit their curriculum vitae, including names and addresses of three referees, two samples of published work and a brief statement of interest (not exceeding 1000 words) explaining why they are interested in joining the EERP program at NIAS. Interested applicants for the JRF/SRF position should submit their curriculum vitae including names and address of two referees, one published writing sample (in case they have), and a brief statement of interest (not exceeding 750 words) explaining why they are interested in joining the EERP program at NIAS. Interested applicants for the Research Assistant position should submit their curriculum vitae electronically, and a brief statement of interest (not exceeding 500 words) explaining why they are interested in joining the EERP program at NIAS.

All the candidates must submit the application in the form of a single PDF document to: eerpvacancies@gmail.com. All applicants should clearly state in the subject line of their e-mail: 'Energy & Environment Research Program'. NIAS will accept only applications submitted by e-mail. This is a rolling application till we fill the positions. The first evaluation will be carried out of the applications received on or before **30 September 2017**.
