**Organization Overview:** The Wellcome Trust/DBT India Alliance is a public charity registered in India since 2008. It is funded equally by the Wellcome Trust, UK and Department of Biotechnology, Government of India, with the broad aim of building excellence in biomedical research in India by selecting and supporting future leaders in the field. In addition to its research fellowships, India Alliance supports an integrated research ecosystem that values ethics, good management and the public communication of science to enhance knowledge and drive policy. Details of the work of India Alliance can be seen at <http://www.wellcomedbt.org/>

**COMMUNICATIONS CONSULTANT:**

The person or organization should have -

- Permission to work in India and presence in Hyderabad or New Delhi, preferably latter
- Good knowledge of the science, research and policy ecosystem in India, and the larger international context
- Excellent oral and written communication skills in English
- Good time management skills and able to work with tight deadlines
- At least five years of experience in a Communications role, especially in press relations

**GRANTS ADVISER:**

The person should have -

- PhD in Life Science/Biological Sciences/similar areas
- Permission to work in India and willing to relocate to Hyderabad or New Delhi
- Excellent oral and written communication skills in English
- Ability to work to deadlines independently, and as part of a team

The remuneration for both posts would be based on qualifications and experience. Please apply only if you fulfil all the “Essential” requirements.
