Want to contribute to cutting edge research?

Positions of Senior Research Fellow (SRF) are available in the following projects.

Job Code Project Name, Number of Posts, Eligibility & Consolidated Salary

Chemical Engineering

P(41-1) 36(4)/14/09/2017-BRNS/36180

About the project: DEM Simulation for Structure of Fractal Aerosol Aggregates and their Hydrodynamics

SRF: (1 Post) Eligibility: M.Tech in Chemical / Mechanical Engineering. OR B.Tech. candidates with a suitable background and with 2 years work experience may also be considered.

Salary: Consolidated salary ₹ 28000/- p.m. + HRA

Job Profile: This is a simulation intensive project which requires thorough background in fluid mechanics and computer programming.

The positions are temporary initially for a period of one year and tenable only for the duration of project. The selection committee may offer lower or higher designation and lower or higher salary depending upon the experience and performance of the candidate in the interview. For further details visit our Website http://www.ircr.iitb.ac.in/I_RCC-Webpage/md/JobOpportunities.jsp

Candidate should apply online at http://www.ircr.iitb.ac.in/I_RCCWebpage/md/HRMSLoginPage.jsp

Last Date of the receipt of the application is 6th March, 2018. Call letters will be sent through e-mail to the candidates shortlisted for interview and will also be displayed on IRC website.
