

DON'T MISS THE OPPORTUNITIES

IUFOST 2018 INDIA

19th World Congress of Food Science and Technology
October 23 - 27, 2018 | CIDCO Exhibition Centre, Navi Mumbai

THEME: 25 BILLION MEALS A DAY BY 2025
with Healthy, Nutritious, Safe & Diverse FOODS

The **19th IUFOST World Congress of Food Science and Technology** will offer 5 days action packed Agenda of Scientific Conference, Workshops, Poster Sessions, Expo and Networking Socio-cultural programmes.

Researchers, academicians, professionals, policy makers and industry will converge to exchange innovative ideas, showcase new products, explore business opportunities and drive policy issues.

It is the opportunity for the Food Science and Technology Fraternity from India and Overseas to Meet, Mingle and Move forward with their Science and Business agendas.

It is the Opportunity for You.
