

Tenth Refresher Course in Materials Preparation and Measurement of Properties

Sponsored by
Indian Academy of Sciences, Bengaluru
Indian National Science Academy, New Delhi
The National Academy of Sciences, India, Allahabad

The tenth Refresher Course in Materials Preparation and Measurement of Properties will be held from 5 to 20 March 2019 at the premises of the Indian Academy of Sciences in Jalahalli, Bengaluru. This Course will provide hands on experience in thin film preparation by evaporation and sputtering, making pellets of materials and attaching contacts, and measurement of thermal conductivity, thermal diffusivity, electrical resistivity of alloys of metals, thermoelectric, dielectric, piezoelectric, ferroelectric and magnetic properties, superconductivity, phase transitions and differential thermal analysis. The Course will be jointly directed by Dr T. G. Ramesh and Professor R. Srinivasan. Refresher courses in Experimental Physics conducted by Professor R. Srinivasan have been very successful.

Total number of seats in the Course will be about 25. The Course is essentially meant for teachers in universities and colleges teaching physics or materials science. A few students studying I M.Sc. physics or materials science courses will also be admitted. It has been brought to our attention that teachers in universities/colleges who attend Refresher Courses week duration are also entitled to be considered for promotion.

Interested applicants must submit their application ONLINE by clicking the following link:

<http://web-japps.ias.ac.in:8080/Refreshcourse/LSP.jsp>

In the case of teacher applicants, a hard copy of the application should be forwarded by the Academic Head of the Institution stating that leave will be sanctioned if the applicant is selected for the course.

Selected participants will be intimated by e-mail around **15 January 2019**. They will be paid the Actual to and fro train fare not exceeding three-tier AC fare. Boarding and lodging in Bengaluru will be taken care of by the Academy.

Last date for receiving applications will be **5 January 2019**.
