Indo-German Science & Technology Centre (IGSTC), a joint initiative of Government of India (DST) and Government of Germany (BMBF) to promote research partnership of industrial relevance invites **First Stage Proposals** for joint R&D+I projects of industrial relevance in **2+2 Mode of Partnership** in the thematic areas

1. Sustainable Production

- Sustainable chemical process technologies

2. Clean and Green Technologies

- Technologies to reduce/mitigate water and air pollution
- Solid waste management technologies (electronic, electrical, biomedical, industrial and urban solid waste)

Deadline for Submitting First Stage Proposals: 4 February 2019

2+2 Mode of Partnership

IGSTC intends to catalyse innovation centric R&D+I projects by synergizing the strength of research/academic institution and public/private industry from India and Germany. This Call for proposals is aimed at supporting joint R&D+I projects of industrial relevance by means of '2+2 Mode of Partnership', i.e. involvement of at least one research/academic institute and one public/private industry from both the countries. Project proposals are expected to provide insights and exploitable research results leading to new technologies, products, processes, patents and/or services.

Funding Support

Funding will be provided in the form of grants amounting up to **€ 450000** per project for German applicants and up to **₹ Rs 230 Lakhs** per project for Indian applicants, for a period of up to three years, to cover project related costs including manpower.

How to Apply

The Basic Guidelines and the First Stage Proposal format can be downloaded from www.igstc.org. The project proposal should be submitted online using pt-outline: https://ptoutline.eu/app/igstc_ind18igcz1 latest by **4 February 2019**.
