Yogmaya Devi Award in Biomedical Sciences

The award is in recognition of significant research contributions in any branch of Biomedical Sciences and consists of a citation and a token cash of Rs 50,000 (Rs Fifty Thousand only). If the prize is awarded to two persons, the prize money will be equally divided.

The award would be given on 28 February 2019 (National Science Day).

Nominations of scientists may be sent for the award giving the details like name of the candidate, address for correspondence, institutional affiliation, educational qualifications from first degree onwards, special honours/awards/prize, professional carrier with designation of post(s) held, names of two referees with addresses who can be contacted for reference, brief statement about significant (basic and applied) research, contributions made by the candidate in last 10 years (not more than 500 words), list of publications, future plans for research and extension work (not more than 250 words). The emphasis is on the research work carried out during last 10 years. Nominations should reach **The Hon. Secretary, MACS by 10 January 2019.**

Workshop on Advanced Techniques in Genomics

Conducted by

Madras Diabetes Research Foundation

(ICMR Centre for Advanced Research on Diabetes) and

Indian Council of Medical Research

Venue: Madras Diabetes Research Foundation, SIPCOT, Siruseri, Chennai 603 103.

Dates: 22–25 January 2019

Techniques: Direct sequencing, MassARRAY-Genotyping, Microarray-Genotyping, Functional genomics and statistical analysis including lectures by eminent scientists.

Last date for receiving applications:
31 December 2018

For details and application form:
www.mdrf.in

Correspondence to **Dr Radha Venkatesan**,
Organising Secretary, Ph. No. 044-3350 5509.

International Conference on Recent Trends in Bioengineering (ICRTB) 2019

16 February 2019

Register at www.mitbio.edu.in/icrtb

Conference Theme Areas

* Biotechnology * Computational Biology * Drug Design * Biomedical Devices and Diagnostics * Nano Biotechnology * Rehabilitation Robotics * Machine Learning and Artificial Intelligence * Smart Sensors * Medical Image Processing * Assistive Devices * Regenerative Medicine * Brain Research.

Selected papers will be published in relevant UGC journals and some thematic articles will be published as book chapter in *Springer*.

Please submit your abstracts/papers to
icrtb@mitbio.edu.in.

Talk by eminent speakers from Industry, Academia and Medical fraternity.

Venue: MIT ADT University
Rajbaug Campus, Next to Hadapsar
Pune Solapur Highway, Loni Kalbhor, Pune
Contact: 9146051841/9146051842/7447444027/28
e-mail: icrtb@mitbio.edu.in
