Training Workshop on using IBIN Database for Conservation and Management of Forest Resources 14–15 February 2019

Sponsored by
Department of Biotechnology, Government of India, New Delhi

A training workshop on the use of databases of Indian Bio-resources Information Network (IBIN) in conservation and management of forest resources is being held on 14 and 15 February 2019. This workshop is planned to demonstrate the use of various data-sets and modules of IBIN and other applications related to biodiversity to the teachers, research scholars and forest managers involved in this area. Those who wish to attend the workshop may send the application by e-mail to ibinworkshop@gmail.com with the following details:

Name, Date of birth, Gender, Academic qualifications, Affiliation and positions held, Contact details including e-mail, Official and residential addresses and Telephone number, in MS-word format.

Only local hospitality and accommodation will be provided by the organizers.

Last date for the receipt of applications: 15 January 2019. Selected candidates will be informed by **20 January 2019.**

Course Directors: Dr K. N. Ganeshiah, School of Ecology and Conservation, University of Agricultural Sciences, GKVK Campus, Bengaluru; Dr Sameer Saran, Indian Institute of Remote Sensing, Dehradun.

Principal Investigator: Dr K. Chandrashekara, Department of Agricultural Entomology, Convener, School of Ecology and Conservation, University of Agricultural Sciences, GKVK Campus, Bengaluru.

For details contact: Dr S. Selvalakshmi, School of Ecology and Conservation, University of Agricultural Sciences, GKVK Campus, Bengaluru. Ph: 99940 34724.
