Unique Opportunity for a Career in Biomedical Research, Drug Discovery and Pharmaceuticals

CSIR-Central Drug Research Institute, Lucknow, India hosts multidisciplinary R&D activities of investigational and applied nature, with state-of-the art infrastructure and expertise for drug discovery and development. Please visit https://www.cdri.res.in for further information.

With the aim to expand and strengthen the areas of ageing biology, neurobiology, virology, clinical pharmacology, toxicology, medicinal and natural product chemistry, pharmaceutics, and pre-clinical/clinical drug development, the Institute is looking for enthusiastic, talented young researchers / professionals with a brilliant academic record, proven scientific achievements and zeal to conduct research as independent group leaders aligned with the mandate of the Institute. Due weightage shall be given to the candidates involved in product development / technology innovation / applied technology / translational research. Applications are also sought for positions in R&D management and business development.

Applications are invited from Indian Nationals for posts of Principal Scientist (1 Post), Senior Scientist (8 Posts) and Scientist (9 posts) in the following areas:

- Bioinformatics & Computational Biology
- Neurobiology
- Ageing Biology
- Virology
- Endocrinology
- Clinical Pharmacology
- Toxicology
- Analytical Biochemistry
- Medicinal Chemistry
- Natural Product Chemistry
- Process Development Chemistry
- Pharmaceutical & Biomedical analysis
- IPR Management & Business Development
- R&D Management
