A training workshop on the use of databases of Indian Bio-resources Information Network (IBIN) for Research and Education in Ecology and Conservation is to be held on 7 and 8 November 2019 at CSIR-CIMAP, Lucknow. This workshop is planned to demonstrate the use of various data-sets and modules of IBIN and other applications related to biodiversity to the teachers, research scholars and students involved in this area. Those who wish to attend the workshop may send the application by e-mail to ibinworkshop@gmail.com with the following details:

Name, Date of birth, Gender, Academic qualifications, Affiliation and positions held, Contact details including e-mail, Official and residential addresses and Telephone number, in MS-word format.

Only local hospitality and accommodation will be provided by the organizers. Preference will be given to candidates from North India, as similar programme was conducted in Bengaluru for South India.

Last date for the receipt of applications: 30 September 2019. Selected candidates will be informed by 5 October 2019.

For details contact: Dr M. Sathya, School of Ecology and Conservation, University of Agricultural Sciences, GKVK Campus, Bengaluru. Ph: 99620 32448, e-mail: sathyaphd777@gmail.com

Convener of the Workshop: Mr Manoj Semwal, Department of Information and Communication Technology, CSIR-CIMAP, Lucknow.

Course Directors: Dr K. N. Ganeshiah, National Adviser (IBIN), School of Ecology and Conservation, University of Agricultural Sciences, GKVK Campus, Bengaluru; Dr Sameer Saran, National Coordinator (IBIN), Head of Geoinformatics Dept., Indian Institute of Remote Sensing (ISRO), Dehradun.
