

**Fourth International
Conference on Frontiers of
Mass Spectrometry
(ICMS 2019)**

**4–7 December 2019, Kottayam, Kerala
and**

**International Conference on
Separation Science and
Technology (ICST 2019)**

13–16 December 2019, Kottayam, Kerala

Call for Papers

Organized by the Inter University Instrumentation Centre (IUIIC), Advanced Centre of Environmental Studies and Sustainable Development (ACCESSD) and the School of Environmental Sciences (SES), Kottayam, Kerala. Technical papers covering original research work relevant to the themes of the conferences are invited.

Last date is **15 October** (for ICMS2019) and **30 September** (for ICST2019). Further details in the websites: <http://www.ctamgu.in/icms2019> and <http://www.ctamgu.in/icst2019>

**DEPARTMENT OF
ENVIRONMENTAL STUDIES**

University of Delhi, Delhi 110 007

ADVERTISEMENT NO.: DES/Advt./2019/01

Applications are invited on plain paper along with a detailed CV for the appointment against the following temporary post in the project entitled "Bioremediation of contaminated soils, surface waters and ground waters of desludged and refilled lagoons of distillery spent wash of M/s Godavari Biorefineries Ltd. and remediation of farmer's well at Sakarwadi, Ahmed Nagar, Maharashtra" funded by M/s Godavari Biorefineries Ltd through the Central Pollution Control Board (CPCB), MoEF&CC, Government of India, sanctioned to Dr David M. Kothamasi at the Department of Environmental Studies, University of Delhi. The applications should reach the Principal Investigator, "Bioremediation Maharashtra", Department of Environmental Studies, University of Delhi, Delhi 110 007 within 21 days from the date of advertisement.

Sl. No.	Post and Pay	No. of Post	Qualification
1.	Research Assistant (₹30,000/- consolidated p.m. with 10% annually increment)	01	M.Sc. in Environmental Management / Environmental Studies / Environmental Science / Life Science with experience in handling the biological systems / materials in the field / laboratory. Work experience in plantation, nursery management, soil and water quality assessment of 2 years is desirable.

Principal Investigator

**SRM Institute of Science and
Technology**

Kattankulathur 603 203
Kancheepuram District
Tamil Nadu, India

Applications are invited for the Post of Junior Research Fellow (JRF) under Government of India funded project 'DST-SERB/CRG/2018/004521' at SRM IST KTR.

Title of the research project: Numerical and Semi-analytical Techniques for Modeling of Wave Interaction with Porous and Flexible Structures.

Duration of the project: 3 years

Discipline: Applied Mathematics

Number of post: One (Junior Research Fellow)

Eligibility for JRF: First class post-graduation degree in basic science (Mathematics/Physics) or M.Tech. in Mechanical/Civil Engineering or equivalent Degree. Candidates with valid CSIR/NET/GATE score will be preferred.

Fellowship for JRF: Candidates with NET/GATE – Rs 28,000 + 20% HRA. Candidates without NET/GATE – As per University norms.

Application last date: 23 September 2019

Registration for Ph.D.: Selected candidate should register for full time Ph.D. programme at SRM IST KTR

Interested candidates should send via e-mail (only) their detailed CV along with a Cover Letter to the Principal Investigator: **Dr Harekrushna Behera**, Department of Mathematics, SRM IST KTR, e-mail: harekrum@srmist.edu.in and hkb.math@gmail.com.
