

# KARPAGAM CANCER RESEARCH CENTRE

## WANTED SCIENTISTS

Karpagam Cancer Research Centre is established under the aegis of the Managing Trustee Dr.R.VASANTHAKUMAR. His deep-rooted interest to provide scientific validation on indigenous herbs and to identify promising lead molecules as candidate drugs to existing drugs has laid foundation for this centre. The centre is actively working to delineate the cause for cancer and to improve the quality of life in individuals diagnosed with cancer.

It has the following units:

1. Phyto-chemical isolation and characterization unit
2. Animal Cell culture unit
3. Computational drug designing and development unit
4. Pre-Clinical testing unit
5. Synthetic Chemistry unit
6. Surgical Oncology Unit

Full fledged Clinical Trial Unit will be established shortly. We are in the process of recruiting right candidates for the Scientists job. Those who are having good experience in any one or in all fields (Preferably with Ph.D/ Experience ) may apply to:

## M S Swaminathan Research Foundation (MSSRF) is looking for an Executive Director

MSSRF invites applications for the post of Executive Director at the Foundation in Chennai.

MSSRF is a non-profit organization and has been recognized as a scientific institution by the Department of Science and Technology, Government of India. The Foundation offers opportunities for doctoral research. MSSRF has about 230 employees, headquarters in Chennai, and three regional centres in India.

**Job description:** The position offers the possibility of developing an institution at the forefront of agricultural science and policy, and related developmental issues. The Executive Director of the Foundation is responsible for planning, guiding and managing all MSSRF programmes. The Executive Director is expected to take the Foundation's research and development agenda forward, raise funds, and build and maintain relationships with national and international institutions.

**Eligibility:** Preferably below 55 years.

About 20 years of professional (including research) experience.

A background in agricultural science, ecology, climate change, agricultural economics or biodiversity.

Candidates with a strong interest in policy issues related to agricultural productivity, profitability and sustainability are encouraged to apply.

**Remuneration:** Comparable to the remuneration of Directors of national institutions.

**Mode of application:** Apply before **15 November 2019** to **The Chairperson** at chairperson@mssrf.res.in with a full curriculum vitae and the names of at least three referees.

The Foundation may independently invite applications or nominations for this post.

MSSRF is an equal opportunity employer.
