Call for nominations of National Research Awards in Nano Science and Technology – 2020

The Department of Science and Technology (DST), Government of India, under the Nano Mission, DST has instituted 'National Research Award' and 'Young Career Awards' to recognize outstanding contributions of Indian scientists to the advancement of Nano Science and Technology in the country. Nominees for the award should have made significant contribution in the area of Nano S&T. The details of the award are as follows.

Category	Age limit (in years)	Award amount (in Rupees)	No. of awards
National Research Award	Up to 70 yrs	100,000	1
Young Career Award	Up to 45 yrs	50,000	2

The date of reckoning for age limit shall be the closing date of this advertisement, **15 January 2020**.

Nominations of eligible Indian nationals are invited from Directors/Vice Chancellors/Dean of Academic Institutions/Government Research Laboratories or President/Past Presidents of all National Science and Engineering Academics. The nominations along with CV containing full details of their achievements, publications and contribution in the area of Nano S&T should reach the following address latest by **15 January 2020**. The awards will be announced during the ICONSAT-2020 scheduled during **5–7 March 2020** at S.N. Bose National Centre for Basic Sciences, Kolkata.

Address where the nominations are to be sent: **Dr Nagaboopathy Mohan**, Scientist C, Nano Mission, Department of Science and Technology, Technology Bhawan, New Mehrauli Road, New Delhi 110 016.

Junior Research Fellow in ICMR-Funded Project, Department of Biotechnology, Sir M. Visvesvaraya Institute of Technology, Bengaluru 562 157

Applications are invited for the post of Junior Research Fellow (JRF) (1 position) under the ICMR-funded research project entitled '**Computational strategies to investigate the therapeutic potentials of snake venom toxins for specific neuro-degenerative disorders**' sanctioned to the undersigned. The total duration of the project is three years (temporary position).

Principal Investigator: **Dr H. G. Nagendra**, Professor and Head, Department of Biotechnology, Sir M. Visvesvaraya Institute of Technology, Bengaluru 562 157.

Eligibility: First class M.Tech./M.Sc./B.E in Bioinformatics/ Biotechnology with relevant domain expertise and computational experience.

Emoluments: Emoluments will be as per ICMR norms.

Interested candidates may apply to **Dr H G Nagendra** (nagendra_biotech@sirmvit.edu) with a Letter of Motivation and CV. Short-listed candidates will be called for interview at Sir M Visvesvaraya Institute of Technology, Bengaluru 562 157, Karnataka, during the month of December 2019.

Last date for receiving the application: **17 December 2019**.

Short-listed candidates should attend the interview on **Saturday, 21 December 2019** with all original documents.
