Junior Research Fellow (JRF) for ICMR Project

Applications are invited for one post of Junior Research Fellow (JRF) @ Rs 31,000 p.m. + 16% HRA as permissible for the ICMR funded project entitled '**A study on the role of steriodogenesis activating transcription factor 3 in the development of hypospadias on male mice induced by finasteride – A randomized controlled trial**' (ICMR 2018-2726) for a period of 3 years to Dr Bindhu, S. The post is purely temporary and co-terminus with the project.

Essential qualification: Candidate must have M.Sc. degree with 55% marks in Biological Science subjects. Candidates qualified in the CSIR-NET/DBT-JRF/UGC-JRF are preferred. A good academic record, a good team player, skills in any one technique used in biology (cell culture/qRT-PCR, western blot, immuno-histochemistry, flow cytometry, molecular biology), excellent communication skills in written and spoken English are desirable.

Interested candidates may submit their detailed CV with the subject line 'JRF position for the ICMR project' to the office of Yenepoya Research Centre at research@yenepoya.edu.in or nairbindhu@yahoo.com on or before **15 March 2020**.

Only short-listed candidates will be notified.
