Job location: GGS Indraprastha University, Dwarka, New Delhi

Founded in 1995, PMBP is a fast growing peer reviewed international monthly journal co-published by Springer and Prof. H. S. Srivastava Foundation for Science and Society. It contains research and review articles, short communications, commentaries, book reviews, etc., in all areas of functional plant biology including, but not limited to plant physiology, biochemistry, biophysics, cell and molecular biology, genetics, genomics and bioinformatics. It attracts authors/editors/reviewers from over 60 countries. It is indexed by Clarivate-JCR (IF 2.005), Scopus (IF 2.13), and is among the top 5 Asian plant journals and among the top one-third of all indexed plant journals, ahead of 350 globally (2019 data).

PMBP needs a full time Assistant Editor at its Delhi office of the Editor in Chief, located in GGS Indraprastha University, Dwarka, New Delhi. The applicant should have strong academic background in plant sciences with Ph.D. (completed/awarded) and publications in SCI-indexed journals of IF>2. Excellent communication skills in writing, editing and proofreading in English are mandatory, preferably with relevant job experience. The emoluments will vary between Rs 6–7 lakhs per annum depending on the qualifications and experience. Applicants should submit a full CV and a statement of purpose justifying their experience, career plan and suitability to the position. Email applications to pmbp@ipu.ac.in with the subject line 'Assistant Editor Recruitment' latest by **20 August 2020**, and if shortlisted, be prepared to attend the interview at a short notice.

Editors-in-Chief: N. Raghuram, GGSIPU, N. Delhi and R.P. Singh, Lucknow.

Preparatory Course in Advanced Biotechnology

Second Batch Starting on: 13–24 July 2020

On Tue–Thurs–Sat 4:00 to 6:00 pm

Registration Link:

**This course is conducted by
Advanced Biotechnologists Club (ABC) &
SwrajVikasSanstha
([fb.com/advancedbiotechnologistsclub/](https://www.facebook.com/advancedbiotechnologistsclub/)):**

Salient Features of the Course:

- ⇒ The course is being conducted on not-for-profit basis.
- ⇒ A certificate will be issued to all participants upon completing the course.
- ⇒ Attendees will receive a softcopy of course materials and PowerPoint slides for study/reference purpose only.
- ⇒ Elaborate discussions will be held to reinforce understanding of all concepts.
- ⇒ Students appearing for various Biotechnology/Life Sciences Exams (DBT/ICMR/GATE/JAM) must attend the course.
