CSIR-Central Drug Research Institute (Council of Scientific & Industrial Research) 
Sector-10, Jankipuram Extension, Sitapur Road, Lucknow, 226031 (INDIA)

Unique Opportunity for a Career in Biomedical Research, Drug Discovery and Pharmaceuticals
Advertisement No 10/2020

CSIR-Central Drug Research Institute, Lucknow, a premier Institute under Council of Scientific and Industrial Research (CSIR), is involved in multidisciplinary R&D programs of both basic and applied nature. CSIR-CDRI is a pioneer biomedical research organization in India and has the infrastructure and expertise to develop a drug from conceptualization to commercialization. Please visit https://www.cdri.res.in for further information.

With the aim to expand and strengthen the following research areas, the Institute is looking for enthusiastic, talented young researchers / professionals with brilliant academic record, proven scientific achievements and zeal to conduct research as per the mandate of the Institute aligned with National Missions.

Applications are invited from motivated young Indian Nationals with requisite qualification and experience for the following post as per the details given below:
