iCRISPR-2021 is a three-day conference with a target audience of students, academic and industrial researchers, and policy makers. Scientists from eminent institutions including CSIR-IGIB, NCBS, IITs, IISERs, IIsc, UoH, THSTI, Thermo Fisher Scientific, Reliance Industries Ltd., and others will discuss ongoing CRISPR/Cas-based cutting-edge research.

The goals of the conference are two-fold: (1) to build awareness of the diverse CRISPR/Cas-related research activities that are currently underway in India, and (2) to create a platform for Indian CRISPR/Cas researchers to discuss their work, exchange ideas, and network.
