CALL FOR INDO-GERMAN BILATERAL WORKSHOP

Submission deadline: 31 January 2022

The Indo-German Science & Technology Centre (IGSTC) invites proposal for organising Indo-German workshops on areas of mutual interest with an aim towards creating platform for substantive interaction between scientists/researchers from academia and industry.

- Workshops may take place in India or Germany
- Any relevant topic in Science & Technology may be considered
- Potential for generating follow up activities including joint projects are encouraged
- Training workshops are not considered under this call

Who can apply?
Persons holding regular positions in public or private non-profit research organisations, institutions of higher education and universities are eligible to submit applications.

Type and Extent of Support
- Event costs for typically not more than 30 participants (organisational & logistics expenses, catering, printing & publicity, miscellaneous expenses)
- International and domestic airfare for participants including transfer to the airport / venue and return
- Accommodation cost

How to Apply
Proposal must be submitted online using pt-outline. For more info: www.igstc.org/home/open_call.
