

## Centre for Brain Research

Indian Institute of Science  
Bengaluru 560 012

### Applications are Invited for Deputy Director and Faculty

The Centre for Brain Research (CBR), an autonomous centre of Indian Institute of Science, invites applications for the positions of **Deputy Director and Faculty**. CBR is dedicated to the identification of early diagnostic markers and rational therapies for neurodegenerative diseases through a comprehensive understanding of brain function.

**Deputy Director:** The Deputy Director, an outstanding physician/scientist is expected to assist the Director of the centre in day-to-day operation in addition to contributing to the research. Expertise in clinical, genetic, and/or epidemiological research related to aging and neurodegenerative disorders would be desirable.

**Faculty:** Appointments will be at a level equivalent to Assistant Professor or above that will be commensurate with experience and research accomplishments. Candidates with experience in genetics, molecular, cellular and cognitive neuroscience are encouraged to apply.

For details, please visit: <https://www.cbr.iisc.ac.in/>

Last date to apply: **31 October 2021**

Director, CBR
