

Ahmedabad University is a private, non-profit research university founded in 2009 by Ahmedabad Education Society (AES), offering a liberal education focused on interdisciplinary learning and research thinking.

PhD Programme in BIOLOGICAL AND LIFE SCIENCES

The PhD Programme in Biological and Life Sciences at the School of Arts and Sciences of Ahmedabad University provides a lively exchange with experts from across the academic disciplines and various global partnerships, and the programme grants access to state-of-the-art laboratories. The scope of the division's research spans pure and applied biological sciences ranging from 'ecosystem to molecules'.

Areas where positions exist:

- Neuroscience
- Molecular parasitology
- Forensic Science and Toxicology
- Systems Biology and Evolution
- Species, Climate Warming, and Evolution
- Structural Biology/biochemistry/bioinformatics

Merit based University Assistantship in the form of a full tuition waiver and a monthly stipend is provided to deserving candidates. Other avenues of financial support include teaching assistantships of the School or fellowships from sponsored research projects.
