Positions Available for the Post of Project Associate-I at PRL

Applications are invited for the positions of Project Associate-I for the period of one year (may be extendable based on the performance) at Physical Research Laboratory (PRL), Ahmedabad under the project title: ‘Development of metal oxide based solar blind photodetectors and quantum dot based single photon sources’ as per the details given below:

Name of the post: Project Associate-I.
No. of vacancies: 1 (One).
Age as on last date of application: Maximum 30 years.
Qualification/Experience: Essential: M.E./M.Tech. in Materials Science/Chemical/Electrical/Electronics Engineering/Nanotechnology or M.Sc. in Physics/Chemistry/Materials Science/Electronics Science/Nanotechnology with 6.5 CGPA or 60% marks from any recognized Institute/University. Experience in handling ultra-high vacuum systems (such as Pulsed Laser Deposition system, RF-sputtering system), photoluminescence spectroscopy, chemical synthesis of thin films and nanoparticles are preferable.

Fellowship (consolidated): INR 31,000 per month plus HRA (as applicable).

Last date of receipt of applications: 31 May 2022.

Please refer www.prl.res.in (→ Opportunities → Job vacancies) for further details.
