CALL FOR APPLICATIONS FOR FULL-TIME Ph. D. POSITIONS

Applications are invited for Research Assistant / Junior Research Fellow / Teaching Assistant / Project Assistant Position in the following areas from candidates with M.E. / M.Tech. / M.S. / M.Optom. / M.Pharm. / LL.M. / M.B.A. / M.Sc. / M.A. Degree:

- 3D Printing
- 5G Communications
- Aerospace Engineering
- Artificial Intelligence
- Bioprocess Engineering
- Cancer Biology
- Chemistry
- Computational Biology
- Computational Chemistry
- Computational Fluid Dynamics
- Control Systems
- Cyber Physical Systems
- Cyber Security
- Big Data Analytics
- Digital Manufacturing
- Drug Delivery
- Economics & Finance
- Electric Vehicles
- Embedded Systems & IoT
- Flexible Electronics
- High Voltage Engineering
- Human Resource
- Humanities & Social Sciences
- Hydraulics & Water Resources
- Image Processing
- Immunology
- Infectious Diseases
- Law & Economics
- Management & Business
- Materials Science
- Mathematics
- Molecular Genetics
- Nanosensors
- Nanotechnology
- Natural Products
- Network Security
- Optometry
- Pedagogy
- Pharmaceutics
- Pharmacology
- Physics
- Power Electronics & Drives
- Power Systems
- Quantum Computing
- Quorum Sensing & Biofilms
- Remote Sensing & GIS
- Robotics & Automation
- Smart Grids
- Smart Communications
- Structural Biology
- Structural Engineering
- Tissue Engineering
- Transportation Engineering
- VLSI Design

Selection will be based on an online test to be conducted on June 4, 2022 followed by an interview. A stipend of Rs 20,000 - 30,000 per month will be provided for the selected candidates. Interested candidates may upload their resume at www.sastra.edu/rapform by May 28, 2022.
