Situated in the heart of Mumbai city, the 50-acres lush green Somaiya Vidyavihar University prides itself in imparting knowledge that shapes the dreams of the young. With over six decades of valuable experience in managing and building world-class educational institutions, Somaiya Vidyavihar is a place for students to explore their capabilities, nurture their skills and importantly, build their future. The University follows a holistic learning approach, offering a wide variety of courses to 39,000+ students in Arts, Sciences, Engineering, Management, Research, Music, Sports, etc.

At Somaiya, we believe in unlocking passion, potential and interests that activate the learner’s complete personality, and opening the door to infinite possibilities.
