Indian National Science Academy, New Delhi
The National Academy of Sciences, India, Prayagraj**

**Science Academies Summer Research Fellowship Program
for Students and Teachers – 2023**

The three national science Academies offer several two-month Summer Fellowships to enable students/teachers (studying/teaching in India) to work with scientists associated with the three Academies during 2023. A copy of the application format, instructions to applicants including eligibility criteria, and a list of names of scientists/faculty who have consented to guide students/teachers to work on short-term projects is displayed in the online application.

Applications are invited from interested students and teachers from all universities and colleges affiliated to UGC/AICTE/MCI/Accredited Institutions/Private Universities for these fellowships. The selected candidate should work with the assigned guide for two months any time during the calendar year, preferably during the summer.

Applications into the program should be made by logging onto one of our websites (www.ias.ac.in; www.insaindia.res.in or www.nasi.org.in). The registration number assigned soon after online submission must be quoted in all future correspondence.

The last date for receipt of applications online is **15 November 2022**.

Information of selection along with concurrence of the guide will be dispatched around **February–March 2023**. The selected students/teachers will be provided appropriate round trip train fare and a monthly fellowship to meet their living expenses at the place of work.
