

Inviting Applications for Teaching Positions (Professors, Associate Professors & Assistant Professors)

Established in 1959, Somaiya Vidyavihar has a rich experience of over six decades in building managing & educational institutes, and imparting education to students from all over the world. Nestled in a vast 50-acre green campus located in the heart of Mumbai, the group is now a multi-disciplinary educational institution catering to 39,000+ students in diverse fields of education.

With the establishment of Somaiya Vidyavihar University in 2019, students can now explore multi-disciplinary learning opportunities through diverse UG, PG, Integrated Masters, and PhD Programmes in all major Faculties like Engineering and Technology, Science, Commerce and Business Studies, Language and Literature, Management Studies, Education, Dharma Studies, & Music Performing Arts. The University also offers BSMS Integrated Programme in Basic Sciences - Mathematics, Physics, Chemistry, and Biology from the coming Academic Year. Promotion of research through Full-time scholarship and Research Associateship Schemes, Seed money for research and promotion of teaching-cum-research through Research and Teaching Associateships, Freeship and Scholarships, merit-cum-means Scholarship, are some of the productive measures, the University is taking for advancing knowledge and skills.

We are looking for qualified, dedicated and inspiring faculty to join us in building a new future that is built on inter-disciplinary knowledge marked by innovation in teaching-learning outcomes and leadership in research.
