CALL FOR APPLICATIONS

RAMALINGASWAMI RE-ENTRY FELLOWSHIP: 2022–2023

Regional Centre for Biotechnology (RCB), on behalf of the Department of Biotechnology (DBT), Ministry of Science and Technology, Government of India, invites applications from Indian Nationals working in overseas research institutions for the '**Ramalingaswami Re-entry Fellowship**' to provide an attractive opportunity for pursuing their R&D interests in Indian universities/ institutions. Those who have already returned to India within one year of the closing date of the advertisement (two years for women candidates) are also eligible to apply; however, if they have secured a permanent position in India within this period then they are not eligible to apply.

Start Date of Online Application : 20th January, 2023

End Date of Online Application : 06th March, 2023

Detailed information on the fellowship grant, eligibility criteria and application process is available at DBT website (<https://dbtindia.gov.in/>) and RCB website ([https://www.rcb.res.in./](https://www.rcb.res.in/)).

To apply, interested candidates may kindly visit RCB website- [https://www.rcb.res.in./](https://www.rcb.res.in/).
For any queries, please contact us at dbt.risfellowship@rcb.res.in.

SRM Institute of Engineering and Technology
College of Engineering and Technology
Kattankulathur Campus

**Junior Research Fellow Position under the
DST-SERB Sponsored Research Project**

Applications are invited for the post of one Junior Research Fellow (JRF) for research project entitled '**Development of an IoT-enabled surveillance system for monitoring falls and medical emergencies of senior citizens living independently (SCP/2022/000305)**' funded by Science and Engineering Research Board SERB.

Qualification: Postgraduation in Applied electronics/Embedded systems/Biomedical with computer science (with knowledge in hardware design) with first class with not less than 60% or 6.5 CGPA from a recognized university with GATE/NET qualified. (Those who are not GATE/NET qualified shall be considered for Project associate-1 as per Government of India norms.) Desirable: Embedded system, Programming skill in python, Altium tool for board design.

Fellowship amount: Rs 31,000 per month + HRA for JRF and Rs 25,000 per month + HRA for Project Associate-1 for the first two years and after assessment of work contribution by the candidate the third year Rs 28,000 per month till the end of the project. The position is purely temporary and renewable each year subject to satisfactory performance for a maximum of three year or till the completion of project whichever is earlier. Candidates selected for this position can also apply for the fulltime Ph.D. programme at SRM Institute of Science and Technology. Interested candidates with the above mentioned qualifications and experience can send their application to the e-mail: malarvig@srmist.edu.in with the subject 'Application for the position of JRF in SERB project' or through post on or before 23 February 2023. Further details are at: [Apply Jobs \(srmist.edu.in\)](http://ApplyJobs(srmist.edu.in)).

Only short-listed candidates will be contacted via e-mail for the online interview. Selected candidates will get a chance to apply for a Ph.D. degree at SRM IST, KTR campus (rules of the Ph.D. programme for SRM IST are applicable).

Centre for Earth Sciences
Indian Institute of Science, Bengaluru

Applications are invited for a SERB-funded research associate-ship at the Centre for Earth Sciences, Indian Institute of Science, Bengaluru. The current project is aimed at developing hydromagnetic models for fluid planets and their comparison with observational data. The successful candidate should ideally have a Ph.D. in physical sciences/engineering with a good base in computational mechanics. A background in fluid mechanics will be an added advantage. Highly motivated candidates with an M.Tech./M.Sc. will also be considered. Salary and HRA will be as per DST norms.

For informal enquiries, please contact **Prof. Binod Sreenivasan** (bsreeni@iisc.ac.in).
