

## SERB School in Chemical Ecology

Date: 8–22 July 2023

Sponsored by SERB, a statutory body of DST, Govt of India

The Centre for Ecological Sciences at the Indian Institute of Science (IISc), Bengaluru, will conduct the 4th annual DST-SERB sponsored school in Chemical Ecology for imparting training in basic and cutting-edge areas in Chemical Ecology. Twenty-five young researchers (Master's students, Ph.D. scholars, postdoctoral fellows and young faculty members) will be selected. The faculty of this school will be leading scientists in relevant areas from India and overseas. The school aims to provide an interdisciplinary environment to build scientific resources with a sound conceptual and technical base for teaching and to strengthen chemical ecology research in India. The school will offer an opportunity to learn directly from leading scientists in the field.

The deadline for application is **31 May 2023** by 23:59 hours.

For details regarding the application and course structure, please visit [www.serbchemicalecology.com](http://www.serbchemicalecology.com)

For any general queries, you can write to [serbchemicalecology@gmail.com](mailto:serbchemicalecology@gmail.com). You may also contact **Dr Kartik Sunagar** (Course Coordinator) or **Prof. Renee Borges** (Course Director) at CES, IISc, Bengaluru.

### Applications/Nominations are invited for the post of Executive Director Translational Health Science and Technology Institute

Translational Health Science and Technology Institute (THSTI) is an autonomous institution and a part of the interdisciplinary Biotech Science Cluster at Faridabad in the National Capital Region. The institute is a dynamic, interactive organization with a mission to conduct innovative translational research and to develop research collaborations across disciplines and professions to translate concept into tangible products to improve human health.

We are looking for a leader at the level of Executive Director on deputation (including short term contract)/absorption. The position of Executive Director offers a unique opportunity for the right individual in providing strong and visionary leadership to the institution.

**Pay scale of the post:** Level 17 in the Pay matrix as per CCS (Revised Pay) Rules, 2016 plus usual pay and allowances as admissible as per the Government of India rules.

**Essential qualification:** Scientists from the Central/State Govt, Research Institutes, Autonomous Bodies, Government funded research organisations/institutes, etc. subject to the fulfilment of the following conditions (a) and (b):-

- (a) Holding analogous post on regular basis in the parent department; or, with five years' service in a post in Pay Level 14 or equivalent in the parent cadre/department.
- (b) Possessing the qualification and experience as given below:
  - (i) M.D./Ph.D. or equivalent degree in biomedical sciences,
  - (ii) Minimum 15 years of research experience in the field of specialization and have aptitude for translational research,
  - (iii) Excellent track record, hand in publications, patent and awards.
