We are seeking applications for the positions of Project Fellow and Research Faculty in the fields of Density-functional theory (DFT), Sensors, Supercapacitors, Photocatalysis, Hydrogen storage, and Drug discovery. The primary objectives of these positions include publishing research articles in peer-reviewed scientific journals, securing funded projects, obtaining intellectual property rights (IPR) and patents.

**ELIGIBILITY AND EXPERIENCE**
- Research Faculty: Ph.D. in Chemistry/Physical Sciences/Engineering or a relevant discipline.
- Project Fellow/RA: M.Sc. or Chemistry/Physical Sciences/Engineering or a relevant discipline.
- Candidates must have attained their degrees with a first class.
- Candidates with a computational background or a track record of quality publications will be given preference.
- Preference will be given to candidates who have qualified CSIR-UGC NET/DBT/Sw. DARE.
- Ability to work closely and collaborate with colleagues as essential.

**SALARY**
The salary/stipend will be as per the norms of the Institute.

**FELLOWSHIP DURATION**
Initial appointment for one year, with the possibility of extension up to 2 years based on performance.

**HOW TO APPLY**
Interested candidates should submit a detailed resume, including 2 references (along with a recent photograph, contact details, email, and postal address), and photocopies of relevant educational and professional qualifications.
Completed applications should be emailed to The Dean R&D and Industry Relations, at office.r@kau.edu.in no later than July 20, 2023.
