
ANNOUNCEMENTS

THE INSTITUTION OF ENGINEERS (INDIA) CALCUTTA

The Sixty Second Annual Convention of the Institution is being held at Bombay concurrently with the Diamond Jubilee of the Maharashtra State Centre, January 29 to February 2, 1982.

The highlights of this year's convention are: National Seminar on 'Habitat', Memorial Lectures, Students' Technical Sessions and Seminar and Visits to places of historical, cultural and technological interest.

The following persons will deliver the memorial lecturers: 1. Dr. D. Mukhedkar, Professor of Elec-

trical Engineering, Ecole Polytechnic, University of Montreal, Canada, 2. Dr. A. C. Mudaliar, Chairman, Imperial Chemical Industries, Calcutta, 3. Dr. M. S. Swaminathan, Member, Planning Commission, and 4. Prof. U. R. Rao, Director, ISRO Satellite Centre, Department of Space, Government of India.

Further details can be had from R. K. Abrol, Deputy Secretary (Technical), The Institution of Engineers (India), 8 Gokhale Road, Calcutta 700 020.
