ANNOUNCEMENTS

THE J.N. TATA ENDOWMENT

Applications are invited for loan scholarships for higher studies abroad preferably in Technology, Science and Humanities from those who have graduated with distinction and who have a consistency first class career.

Those who have not secured admission as yet to a University abroad, are eligible to apply. Those with brilliant academic records, who are in the final year of the degree course, may also apply without awaiting their final results.

The normal age limit for students at the time of application is 27 years. Students with only a B.A. or

B.Sc., degree are normally not considered by the Endowment for studies in U.S.A.

Application forms can be had on payment of Rs.5/- either in cash (locally) or by Money Order only. The applicant should give his full name and address in block letters on both sides of the Money Order form. Postal Orders and cheques are not acceptable.

Duly completed applications should reach The Director, J.N. Tata Endowment, Bombay House, 24 Homi Mody Street, Bombay 400 023 not later than 1 February 1982. Applications received after this date will not be considered.

INTERNATIONAL MEASUREMENT CONFEDERATION TECHNICAL COMMITTEE

The 10th Symposium of the International Measurement Confederation Technical Committee (IMEKO Technical Committee) on Photon-detectors will be held in Berlin (West) from 20 to 22 September 1982 and will deal with the following main topics:

- (a) Physical properties of photon-detectors.
- (b) Application of photon-detectors in light, colour, and radiation measurement.
- (c) Application of photon-detectors in production control.
- (d) Medical and photobiological application of photo-detectors.

Experts in the field of photon-detectors are welcome to deliver lectures at the Symposium. Abstracts (in English) not exceeding two typewritten pages, should be sent to the Organizing Committee before 1 May 1982.

Correspondence related to the Symposium should be sent to the Organizing Committee, Institut für Lichttechnik der, Technischen Universität Berlin Prof. Dr. Ing. Krochmann, Einsteinufer 19, D-1000 Berlin (West) 10.
