### NATIONAL INSTITUTE OF MENTAL HEALTH AND NEURO SCIENCES, BANGALORE

The above institution has decided to publish a journal early in July this year. Research articles from all the disciplines of mental health and neuro sciences are invited for publication in the journal, subject to the following conditions:—

1. Articles, should conform to the international standards in presentation. The material presented should be the outcome of original research.

2. Articles may be submitted in duplicate, typed in double line space and leaving sufficient margin on either side.

3. Articles may be presented in the following form:

Abstract, Summary, Materials and methods, Results and discussion, Conclusion and References.

**General:** In the assessment of papers submitted to the Journal, great importance is attached to conciseness and clarity. Authors should check the accuracy of all references in their manuscript and ensure that dates and spellings correspond in the text and reference list.

For details please contact: G. N. Narayana Reddy, Director, National Institute of Mental Health and Neuro Sciences, Bangalore-560 027.
