ANNOUNCEMENT

SIXTH ANNUAL CONVENTION OF THE INDIAN SOCIETY FOR MEDICAL STATISTICS AND NATIONAL SEMINAR ON STATISTICS IN MEDICINE, HEALTH AND NUTRITION

The Indian Society for Medical Statistics will be organizing its Sixth Annual Convention and National Seminar on Statistics in Medicine, Health and Nutrition at National Institute of Nutrition, Hyderabad (India) from 27–29th October, 1988. Medical teachers, Medical research workers, Nutritionists, Medical statisticians, Demographers, Anthropologists, Social Scientists and Computer-personnel, both from India and abroad are invited to attend the 3-day programme. The conference will concentrate on the following aspects.

A. Symposium on "Data-base and analysis in health and nutrition — Present and future"

(i) Nutrition; (ii) Epidemiology, hospital statistics, Registration system; (iii) Survey and data collection methods; Methods of assessment of health and nutrition-relative merits and critical limits for use; (iv) Ecological methods; Secular trends in health; Time series models; Economic analysis in health; Environmental pollution; (v) Operational research, systems analysis and

computer applications; (vi) Fertility differentials and health.

B. Other topics

(i) Bio-assay methods; (ii) Statistical models and Bayesian methods; (iii) Multivariate methods; (iv) Genetic models and growth studies; (v) Training in and curriculum of Biostatistics.

Contributions from the above and other related topics are welcome. Three copies of an abstract of the paper, not exceeding 300 words are to be submitted by **31 May 1988**. Original paper typed as per suggested guidelines may be submitted by **31 July 1988**. Further details of seminar and convention can be had from: Dr. K. Visweswara Rao, Organising Secretary, National Seminar on Statistics in Medicine, Health and Nutrition, Department of Statistics, National Institute of Nutrition, Indian Council of Medical Research, Jamai Osmania, Hyderabad 500 007.
