INDIAN JOURNAL OF PURE AND APPLIED PHYSICS—SPECIAL ISSUE DEVOTED TO RAMAN EFFECT ON THE OCCASION OF THE DIAMOND JUBILEE OF RAMAN EFFECT

The special issue brought out to commemorate the diamond jubilee of the discovery of Raman Effect covers a wide spectrum of current Raman Effect studies and hence will be a valuable reference book for all research workers and hence deserves a place in all libraries. The special number contains 32 articles contributed by 75 eminent Raman spectroscopists hailing from 13 countries will catalyse research activities in different branches of science. An International Editorial Advisory Committee under the chairmanship of Prof. S. S. Jha, a leading Raman spectroscopist of our country has brought out this special number.

Two general articles one by Prof. S. Ramaseshan and another by Prof. R. S. Krishnan give the background about the famous discovery and give a good account of the Indian contributions in this field.

The special issue of 286 pages is priced at Rs. 60/- per copy for orders from India and at £13 or \$20.00 for orders from abroad.

Orders accompanied by remittances payable to Publications and Information Directorate, CSIR, should be addressed to the Sales & Distribution Officer, Publications and Information Directorate, CSIR, Hillside Road, New Delhi 110 012, India.

FIRST NATIONAL CONFERENCE ON BIOMECHANICS

(Indian Institute of Technology, New Delhi 110 016, December 17-19, 1988)

The conference aims to deal with the following topics: Soft and hard tissue mechanics; Biofluid dynamics; Physiological systems mechanics; Modelling in biomechanics; Transport phenomena in living systems; Occupational hazard; Injury, safety and rehabilitation; Orthotics and prosthetics; Artificial organs; Computers in biomechanics; Mechanics of biomaterials; Sports biomechanics; Ergonomics;

Mechanics of reproductive system and instrumentation.

For further information please contact Dr K. B. Sahay, Secretary, First National Conference on Biomechanics, Centre for Biomedical Engineering, Indian Institute of Technology, New Delhi 110 016, India.

SEMINAR ON 'BASIC RESEARCH FOR CROP DISEASE MANAGEMENT'

A national seminar on 'Basic Research for Crop Disease Management' sponsored by the University Grants Commission and the Tamil Nadu Agricultural University is being organized at the Tamil Nadu Research Institute, Aduthurai from 18 to 20 May,

1988. Further details can be had from: Prof. P. Vidhyasekaran, Convenor, National Seminar, Tamil Nadu Agricultural University, Aduthurai 612 101.
