

INDIAN NATIONAL SCIENCE ACADEMY

INSA Visiting Fellowship 1992-93

Applications are invited from Indian citizens for the award of INSA Visiting Fellowship for 1992-93 for conducting advanced research or undergoing specialized training in Indian research institutes/laboratories.

Details of awards

These Fellowships will be awarded on a competitive basis to scientists for furtherance of their research and/or research capabilities, for carrying out collaborative research, undergoing training in specific techniques, or utilizing facilities not available in their own institutions. The Fellowship will be for a minimum period of one month to a maximum of 12 months in a laboratory or research institution of his/her choice in a city other than his/her normal place of work.

Value

The Fellowships will carry an honorarium and subsistence allowance of Rs 5000 per month in addition to the scientist's own salary from his/her parent institution. The Academy will provide to and fro travel expenses by first class or second AC sleeper from the parent organization to the proposed institute of work.

Application procedure

Applications will be invited once a year. The applicants would be required to provide a concise account of their plan of work/study besides their bio-data highlighting their research achievements. It would be desirable that the applicant should have approached the host institution and the scientist concerned to ascertain their concurrence to accept him/her.

The applicant should be a scientist and be holding a regular position in any R&D organization, including universities or affiliated colleges in India.

Candidates should submit their application in duplicate on prescribed application form available at the Academy through proper channel to the Assistant Executive Secretary (Basic Sciences), Indian National Science Academy, Bahadur Shah Zafar Marg, New Delhi 110 012, on or before 15 November 1991.
