DEPARTMENT OF SCIENCE AND TECHNOLOGY
GOVERNMENT OF INDIA

ANNOUNCES AN

INTERACTION MEETING ON
EVOLUTIONARY ECOLOGY

to generate good, state-of-the-art research proposals for possible funding, in the area of Evolutionary Ecology.

Evolutionary Ecology is broadly interpreted so as to include such areas as Adaptive basis of Behaviours, Population Genetics, Insect Sociobiology, Mutualism & Co-evolution, Reproductive Ecology of Plants & Animals, Primate Behaviour, Foraging Strategies, Ecological Modelling, Functional Ecology, Cooperation & Conflict in Animals & Plants and such other related areas.

Those interested in attending this meeting and submitting research proposals in this area are requested to send 10 copies of their preliminary proposals* to

PROF. RAGHAVENDRA GADAGKAR
Centre for Ecological Sciences
Indian Institute of Science
Bangalore 560 012.

ON OR BEFORE 31 JULY 1993

Applicants should have a permanent position in an academic Institution in India. All applications received will be scrutinized and selected applicants will be invited to make oral presentation of their proposals at the meeting likely to be held at the Centre for Ecological Sciences, Indian Institute of Science, Bangalore in October/November 1993.

For further details, if required, you may contact: Dr (Miss) Usha Sharma, Principal Scientific Officer, Department of Science & Technology, Technology Bhavan, New Mehrauli Road, New Delhi 110 016, India.

*Format for the preparation of preliminary proposals:

1. Title of the project:
2. Name & address of the investigator:
3. Summary of the proposal........................................ (half page):
4. Objectives......................................................... (half page):
5. Methodology......................................................... (2-3 pages):
6. Personnel required:
7. Equipment required:
8. Biodata (including research experience, research publications and research grants handled in the past, if any).
