

A Laboratory Course on Flow Cytometry in Molecular Biology (14 November – 3 December 1994)

Sponsored by the Department of Biotechnology, Government of India

Faculty

Gopal Pande (CCMB)
Satyajit Rath (NII)
Ajit Sodhi (BHU)
Maharani Chakravorty (BHU)

Course Contents

Cell cycle analysis and DNA measurements
Molecular immunology
Role of calcium in development and differentiation

Applications on plain paper for admission along with biodata and the reasons for seeking admission (one page) from the candidates (M Sc in any physical or biological science subject related to Molecular Biology with at least two years' research experience or Ph D in any subject related to Molecular Biology) have to reach the undersigned on or before 30 August 1994. Official sponsorship is essential. On request (with justifications) 4–5 out of 12 trainees may be provided TA/DA. Others have to meet the expenses from their own sources. The decision of the Selection Committee to be announced on 15 September 1994 will be final.

Prof. Maharani Chakravorty
Incharge, Molecular Biology Unit
Director of the Course
