Nominations are invited for

Winter school on ‘STM for Imaging Biological Macro-molecules’

(Sponsored by Department of Science & Technology, Government of India, New Delhi – under Science & Engineering Research Council Scheme for Young Scientists (SERCYS))

**Objective**
To expose younger scientists through lectures & demonstrations with latest techniques of tunnelling microscopy for imaging of biological macro-molecules

**Time schedule**
February 6, 1995 to February 10, 1995

**Participations**
A maximum of fifteen (15) participants selected out of the nominated candidates from various National Laboratories/Universities, IITs & RSICs, etc.

**Organizing Institutes**
Central Scientific Instruments Organisation, Chandigarh. Centre for Cellular and Molecular Biology, Hyderabad.

**Eligibility**

**Age**
Less than 35 years

**Academic qualification**
Minimum M Sc/M Tech

(Please attach a copy of the Bio-data)

**Nature of work/job**
Engaged in R&D of biological sciences
(one page write-up concerning nature of work from participants should accompany the nomination)

**Assistance from organizers/sponsors**
Travel charges as per DST rules will be reimbursed. Free boarding/lodging

**Last date for receiving the nominations**

**Contact/correspondence address:**
Dr S. S. Wadhwa,
Head, Micro-positioning Systems Division,
Central Scientific Instruments Organisation,
Sector-30, Chandigarh 160 020, India
