

Travel Fellowship Programmes for Young Scientists for participation in the 12th Biophysics Congress of IUPAB to be held during 11–16 August 1996 in Amsterdam, The Netherlands

The 12th International Biophysics Congress would be held next year in Amsterdam, The Netherlands, during 11–16 August 1996. Travel Fellowship Awards, through funds earmarked by IUPAB/UNESCO, are available to assist young scientists with the cost of attending the Congress. These fellowships would cover a substantial part of the travel and accommodation in addition to the registration fee waiver. These fellowships would normally be limited to young scientists who do not yet have a permanent position, for example, graduate students and postdoctoral fellows without a tenure position. In addition to participating in the Congress, laboratory with the aim of establishing scientific contacts. A short written report of activities should be sent to the Secretary-General of IUPAB on return.

Applications should be sent to Prof. A. C. T. North, Secretary-General, IUPAB, Department of Biochemistry and Molecular Biology, University of Leeds, Leeds LS2 9JT, UK (Fax No. 44-113-233-3167) with the following documents:

1. Application for financial assistance, including a letter of support by the Supervisor or the Head of Department.
2. One copy of the abstract describing the scientific contribution to be submitted to the Congress.
3. Indication of European laboratory to be visited, if applicable.

The deadline for submission of a request for financial assistance is 31 December 1995.

We are also happy to announce that the 13th International Biophysics Congress would be held in New Delhi, India, in September 1999.

The Academy of environmental biology announcement for awards: 1994
