

MEETINGS/SYMPOSIA/SEMINARS

32nd Annual Convention of Indian Geophysical Union and Meeting on Marine Geophysics

Place: National Geophysical Research Institute, Hyderabad
Date: 19–21 December 1995

Topics include: 1. Geophysical instrumentation. 2. Atmospheric sciences. 3. Geophysical exploration. 4. Space sciences and planetology. 5. Geodynamics. 6. Lithospheric studies. 7. Marine geosciences.

Contact: Dr P. R. Reddy
Hon. Secretary, Indian Geophysical Union
NGRI Campus, Hyderabad 500 007
Phone: 670141

International Symposium on Geology and Geophysics of the Indian Ocean

Place: National Institute of Oceanography, Goa, India
Date: 21–24 October 1996

Topics: 1. Structure and tectonics. 2. Particle fluxes and sedimentary processes. 3. Sea-level changes and paleoceanography. 4. Non-living resources of continental margins. 5. Deep-sea mineral deposits and their environment. 6. Technology, policy, economics and geopolitics of offshore exploration and exploitation

Contact: Dr Ch. M. Rao, Convener
National Institute of Oceanography
Dona Paula, Goa 403 004, India
Phone: 91-(0)832-221352
Fax: 91-(0)832-223340/91-(0)832-221360 (BTIS)
e.mail: ocean@bcgoa.ernet.in

4th International Conference on Physiological Fluid Dynamics

Place: Jiwaji University, Gwalior, India
Date: 8–10 December 1995

Topics include: Biorheology, Atherosclerosis, Flow visualization, Clinical hemorheology, Simulation/modelling, Biotransport, Microcirculation, Arterial hemodynamics, Red cell deformability and aggregation.

Contact: Prof. V. P. Saxena, Secretary
School of Mathematics & Allied Sciences
Jiwaji University, Gwalior 474 011, India
Phone: (0091) (751) 341905
Fax: (0091) (751) 341450

Indian Association of Special Libraries & Information Centres (IASLIC) XX All India Conference on Information Technology Products of 1990s and Library and Information Centres

Place: Dept. of Library & Information Science
Lucknow University, Lucknow, U.P.
Date: 26–29 December 1995

Topics include: Information technology as media, Computer software information products, Information seeking behaviour and information technology products, Infrastructural facilities needed for utilisation and maintenance of information products, Economic feasibility studies of information technology products, Legal implication to utilisation of information technology products, Competency in utilisation of information technology products knowledge and skills.

Contact: Convener
Editorial Committee
XX All India Conference
IASLIC, P-291 CIT Scheme 6M, Kankurgachi
Calcutta 700 054
Phone: 349651

National Symposium on Recent Advances in Biosciences

Place: Dept. of Biosciences, Maharshi Dayanand University, Rohtak
Date: 14–16 October 1995

Contact: Prof. V. P. Agrawal
Secretary General
Society of Biosciences, 25/4, Ram Bagh Road
Musaffarnagar 251 001, U.P.

National Symposium on Deccan Flood Basalts of India

Place: Nagpur
Date: February 1996

Topics include: 1. Stratigraphy, structure and tectonics. Geophysical studies leading to understanding of sub-Deccan crust and mantle. 2. Geological and volcanological studies. Morphological characters of lava flows and interpretation of volcanic history. 3. Petromineralogical, geochemical and petrogenetic studies. 4. Genesis and evolution of magma, composition of sub-continental mantle, degree of crustal contamination and genesis of small volumes of magmas of extreme compositions. 5. Age and duration, palaeomagnetism, palaeontological studies on infra and intertrappean beds. 6. Geomorphology, plateau uplift and erosion, recognition and dating of planation surfaces. 7. Intrusives: Geology, geochemistry, structure and tectonics, age, palaeomagnetic characters, spatial and temporal relationship between intrusives following different tectonic trends and of differing compositions, recognition of feeder dykes. 8. Geophysical, geotechnical and seismic studies. 9. Economic aspects, including groundwater potential, with special emphasis on geothermal energy resources and prospects for polished stone industry.

Contact: Shri K. K. K. Nair
Geologist (Sr), Organising Secretary
Geological Survey of India
Central Region, New Complex, Seminary Hills
Nagpur 400 006
Phone: (O) 534448 (R) 220089
Fax: (0712) 532636
