## COUNCIL OF SCIENTIFIC & INDUSTRIAL RESEARCH

NEW DELHI, INDIA.

Advt. No. 8/95

**Position:** Director, Central Road Research Institute (CRRI), New Delhi

CSIR, the premier agency established by the Govt. of India to undertake scientific and industrial research in the country, is looking for suitable scientist/technologist for the post of Director for its Central Road Research Institute (CRRI), New Delhi. The Institute conducts basic and applied research in the areas of highway engineering and allied subjects, provides know-how for improved and economical methods for construction and maintenance of roads, runways, bridges, etc., and assists the highway user agencies through consultancy, contract research and training. Some of the major R&D programmes of the institute relate to pavement design and performance, road condition monitoring, pavement deterioration modelling, landslide management, hazard mitigation and improved transportation planning for urban areas. In addition, applied research on planning and engineering of rural roads, highway instrumentation, traffic engineering, roads safety and environmental problems form an integral part of the R&D programmes of the Institute.

The post carries the pay scale of Rs 5900-200-7300 plus allowances as admissible to Central Govt. officials. Consultancy is permitted without any ceiling on the annual consultancy remuneration. The appointment to the post will be on contract for a period of six years or superannuation, whichever is earlier.

For further details, please contact the Director-General, CSIR, Rafi Marg, New Delhi 110 001 (India).  
(Fax: 3710618. Telex: 031-65202 CSIR IN, 031-66147 CSIR IN, Gram: CONSEARCH, NEW DELHI).
