

**UK/INDIA SCIENCE AND TECHNOLOGY
RESEARCH FUND**

Department of Science and Technology (DST) of the Government of India and the Office of Science and Technology (OST) of the British Government jointly invite applications from scientists for financial support under the Indo-British Science and Technology Research Programme to develop and implement joint projects in specific areas of Telecommunications and Associated Information Technologies, Agro Food and Advanced Manufacturing Technologies.

Whilst considering proposals, particular importance is attached to scientific merit, value of money and likely long-term industrial relevance. Preference will be given to projects with clear industrial relevance or identifiable industrial potential. The participation will be taken automatically as evidence of such relevance.

Financial support will be limited to international travel. Funding for equipment, bench fees, institution overhead, etc. will not be provided under this programme.

Application forms along with the guidelines for S&T collaboration may be obtained from:

Programme Office,
International Division (UISTRF),
Department of Science and Technology,
Technology Bhavan, New Mehrauli Road,
New Delhi 110 016
Phone: 667373/662135
Fax: 6862418/6863847

British Council Division (UISTRF),
British High Commission,
17, Kasturba Gandhi Marg,
New Delhi 110 001
Phone: 3711401/3710555
Fax: 3710717

Request for applications may be made latest by 15 November 1996 along with a self-addressed envelope (12 cm × 27 cm). The project proposal completed in all respects should be submitted latest by 15 December 1996.
